

Are you up for a Challenge?

Welcome to EY Challenge 2020! The EY Challenge is a dynamic, winner-take-all business pitch competition unlike anything you've ever experienced before.

This year's competition contains the same level of energy, excitement, and creativity with a challenging twist - it's ALL virtual! On EY Challenge Pitch Day, selected teams of four from eight cities across the country will bring their brightest ideas to deliver a business pitch from a provided mystery product. You and your team members will pitch your ideas to a panel of EY judges and campus peers.

We are looking for students who hear "challenge" and think "opportunity". We are searching for teams that infuse "solution" with "creativity". During the EY Challenge you will put your business skills to the true test. It is the complete opposite of your conventional case competition, so you can leave those expectations at home! Of course, the winners will receive a worthy prize - but we'd like to keep it a mystery for now.

Come "meet" with us and hear more about it! The Calgary EY Challenge information session for will be held virtually on November 2nd from 4:30 - 5:30PM. We look forward to chatting with you!

To register, please sign up [HERE](#) before October 30th so we can send you final details and an event link.

This event is open to second-year students looking to pursue a career in business and ultimately obtain their CPAs.

Find our campus recruiting team on Instagram for the latest updates and check out our EY Challenge website for even more information!
