Experience EY

Hello Accounting Students!

At EY, you'll have the chance to build a truly exceptional experience. We'll empower you with the latest technology, surround you with high-performing teams, and provide the global scale and diverse and inclusive culture you need to discover your full potential. Through our coaching and training programs, you'll develop the skillsets you need to stay relevant today and in the future – all while building a network of colleagues, mentors, and leaders who will be on the journey with you at EY and beyond.

If you're a top student who wants to get a jump start on the recruiting process, then we've got the opportunity for you this summer. Sound interesting? Well this is just the beginning. Because whenever you join, however long you stay, the exceptional EY experience lasts a lifetime.

Experience EY: Where do you start if you want to change the world? You start right here with a career at EY. From the moment you receive an offer to join us in person/virtually, you'll begin building your skillset and expanding your mindset. Access to "Experience EY" provides the opportunity to immerse yourself in our culture through multiple touchpoints over the summer.
